

Week 2.2

Speaking and listening: Talking about social media
Pronunciation: Voiced and voiceless consonants
Grammar: Repeated and double comparatives

Talking about social media

What social media do you use?

Listen to three people giving their opinions about social media. Complete the table with the information.

Speaker	Social media used	Advantage / disadvantage
1		
2		
3		

Think about one form of social media you use. Make brief notes to complete the table.

Social media	
How often you use it	
Advantages	
Disadvantages	
Effect on communication	

Work in pairs to do the task below. Then change roles. When you have finished, tell the class what you learnt about your partner.

Student A

Tell your partner about the type of social media you have chosen.

Student B

As you listen, take notes in your notebook.

Pronunciation: voiced and voiceless
consonants

Listen to each pair of words.

- a. vast fast
- b. do too
- c. base pace
- d. drain train
- e. goal coal

Put your hand on your throat and say the first word in each pair. You should feel a vibration.

- a. vast fast
- b. do too
- c. base pace
- d. drain train
- e. goal coal

Put the palm of your hand a few centimetres in front of your mouth and say the second word in each pair. You should feel a puff of air after the first letter.

- a. vast fast
- b. do too
- c. base pace
- d. drain train
- e. goal coal

Listen to five sentences. Choose the word you hear from the list below.

- a. vast fast
- b. do too
- c. base pace
- d. drain train
- e. goal coal

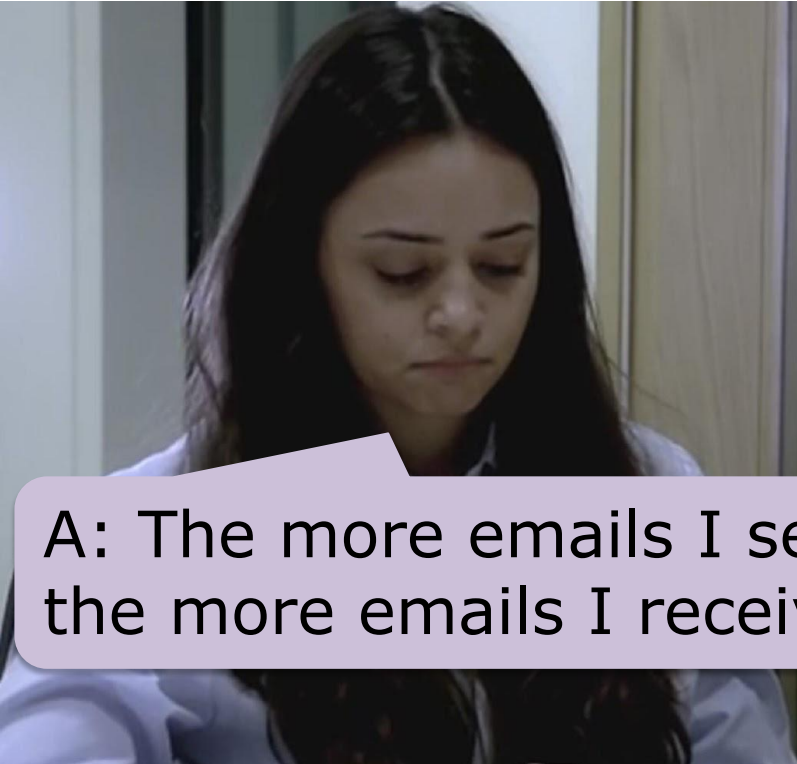

Work with a partner. Try to pronounce each word correctly, paying special attention to the final syllable.

1. networks
2. users
3. problems
4. solutions
5. friends
6. websites
7. comments

Grammar: Repeated comparatives & double comparatives

A woman with long dark hair is looking down, appearing thoughtful or concerned. She is wearing a light-colored shirt. The background is slightly blurred, showing an indoor setting with a door or window.

A: The more emails I send,
the more emails I receive!

A woman with dark hair is looking to the side, appearing to be in a conversation. She is wearing a dark top. The background is slightly blurred, showing an indoor setting with a door or window.

B: I agree! And everyone
expects faster and faster
responses.

Consider the examples

The more money I earn, the less I need to borrow from my parents.

The more subjects we have to study, the more pressured students and teachers feel.

The bigger companies become, the more difficult it is for smaller companies to compete.

Find and fix the mistakes in these sentences.

1. More time you spend on Facebook, less time you have to study.
2. The more you study now, the fewer you will have to study for exams.
3. The more active become, the healthier I feel.
4. The more ethical company, the more popular it is.

Repeated comparatives.

Technology is getting more and more advanced.

Prices in Tashkent are getting higher and higher.

Every year, my English gets better and better.

What's correct?

1.
 - a. Online shopping is getting more popular and more popular.
 - b. Online shopping is getting more and more popular.
2.
 - a. The more I shop online, the more I miss going to real shops.
 - b. The more I the shop online, the more I miss going to real shops.
3.
 - a. The faster, the better.
 - b. The more faster, the more better.

Complete the sentences with your own ideas. Add further sentences to support your ideas. Then, share your ideas with a partner.

1. People are becoming more and more ...
2. Technology is getting ... and ...
3. The world is ...
4. Money ...

What factors come to mind when you think about global warming?

You see this bumper sticker on the back of a car. What do you think it means?

Answer the questions

1. According to Michael Pollan, what two things do most people think of first when they think about global warming?
2. What does he say about farmers?
3. What does he think will happen to our agricultural landscape if we don't support them?
4. How does he think we can help keep the agricultural landscape open?

Work in pairs and discuss the questions.

1. What local food do you eat regularly and where do you buy it from?
2. What food do you eat that is not locally produced?
3. Do you know how far this food has travelled to reach your plate?
4. Do most people in your country eat locally produced food?
5. Do you prefer to eat processed or unprocessed food? Why or why not?
6. Do you think that watching this video will make you change your eating habits? Why or why not?
